The Campaign.

A Dangerous Man.

The following from the Galena (Ill.) *Gazette* is so much better than the ordinary run of political campaign poetry, that we publish it entire. It is good enough:

Mr. Sumner says Grant is a bold, bad, dangerous man.—*Newspaper.*

"A bold, bad man is General Grant,"
Said Floyd one gloomy night,
As out from Donelson he crept,
And took his hasty flight.
From Pillow's trembling lips there came
An echo sounding much the same,
And Buckner thought his chief was right,
Nor longer durst maintain the fight;
And from the fort hung stripes and stars.
"That Grant's a dangerous man," said they:
And doubtless think the same this day.

"A bold, bad man is General Grant,"
Said Beauregard one morn,
And from the haughty traitor's brow
The victor's wreath was torn;
And from the field his legions went,
By orders General Grant had sent.
Then Shiloh's field was ours again,
Despite the host of rebel men,
Who came an army boasting loud,
And went a panic-stricken crowd;
For Beauregard and all his men
Perhaps thought Grant was dangerous then.

"A bold, bad man is General Grant,"
Said Pemberton one day:
"Entreaties are of no avail,
He will not go away.
A stubborn, mulish, dangerous man!
He wants our rebel hides to tan."
And still Grant's cannon raked the town,
Until the rebel flags came down;
And then our banners, rent and torn,
Were through the streets of Vicksburg borne,
The "bold, bad man," that glorious "Fourth"
Sent gladsome tidings to the North.

"A bold, bad man is General Grant!"
And poor Bragg's eyes were dim
With tears; said he, "I know,
'Tis useless fighting him."
And soon the cheers of

WANTED.—We wish to employ a *good* book and job printer. A *sober*, industrious man, capable of doing our work satisfactorily, can have steady employment by applying immediately. None but *sober* men need apply.

GET REGISTERED!

Republicans who are not yet registered will please bear in mind that SATURDAY, SEPTEMBER 28th, is the LAST DAY for attending to that duty. Examine the lists at once, and see if your name is there, as well as that of your neighbor. Do not neglect this important duty!

A BASE SLANDER!

Certain persons, in the interest of Mr. Speer, in the lower end of the county, are circulating a report to the effect that Mr. Barker paid each of the Mifflin county Conferees ONE THOUSAND DOLLARS to secure his nomination! This is an infamous slander, coined by some designing scoundrel! It is an unmitigated lie! Beware of roorbacks!

PROTHONOTARY.—Republicans of Huntingdon county, remember that Thomas W. Myton, our candidate for Prothonotary, was a gallant soldier and left one arm on the battle-field, while his opponent, M. M. McNeil, was engaged, with the Northern wing of the rebel army, in giving "aid and comfort" to the enemy! Make a note of this before casting "complimentary votes."

☞ The Tyrone *Herald* is informed that the Labor Reform Convention, of Huntingdon county, did not endorse Mr. Speer, and in our estimation, it was very stupid in the Blair county Labor Reform Convention to do the like without knowing whether he endorsed their principles or not. To the sentiment that "he has virtually killed the party (Labor Reform) in Huntingdon county," we subscribe.

☞ If McNeil had been a warm, outspoken and decided friend of the Union, during the late Democratic rebellion, is it reasonable to imagine—to think or assert—that he would, at this very time, forsake and sink his love and honor for his country, and be a willing and persevering candidate for the office of Prothonotary in opposition to the soldier candidate, Thomas W. Myton? No!

☞ Mr. Speer is rich, and will spend money freely to promote his election to Congress, but the Republicans of this Congressional district cannot be bought by Speer money nor by British gold; he will, undoubtedly, be permitted, yea, required, to stay at home after the expiration of his present term, as he richly deserves. His place will be occupied by a much better representative man. Vote for Barker!

☞ We occasionally hear some Free Trade Democrat urge that Mr. Speer is as good a Tariff man as Barker. Fudge!—Mr. Speer would have voted and supported all the Free Trade measures of the last Congress if he had not represented an anti-Free Trade constituency. It wasn't safe for him to do so! If he did he was sure he would never be returned! This was conceded by his colleagues! He, however, voted for a Free Trade Speaker!

THE TICKET COMPLETE.

Republicans, Prepare Your Ballots!

The Men Whom You Delight to Honor.

At last our ticket is complete from President to County Auditor! We desire to present those, on our district and county tickets, to our friends who are not already acquainted with all of them, that they may know under whose banners they are about to march to a glorious victory! We first present the name of our distinguished candidate for Congress—

HON. ABRAHAM A. BARKER.

Mr. Barker, if we are correctly informed, was born in Lovel, Oxford county, Maine, on the 30th of March, 1816, and is consequently in the 56th year of his age. He received a fair common school education and engaged in agricultural pursuits. He removed to Pennsylvania in 1854, and devoted himself to the lumber and mercantile business with decided success. He was a delegate to the Chicago Convention in 1860, and in 1864 he was elected a Representative, from this district, to the 39th Congress, in which he served with great credit to himself and his constituents. He is a man of great energy, untiring zeal, undoubted honesty and EMPHATICALLY A MAN OF THE PEOPLE.

For Delegates to the Constitutional Convention are presented

DR. JOHN McCULLOCH and
DR. J. P. STERRETT.

The former is known to almost every man, woman and child in Huntingdon county. He has been a practicing physician for a generation. He ably represented this district in Congress from 1853 to 1855. He ran for a second term but was defeated.—He is a man of ripe experience and of mature age, and will make an able and efficient member of the Convention. With his colleague on the ticket, Dr. J. P. Sterrett, we are unacquainted, but his neighbors speak well of him.

FRANKLIN H. LANE,

of Shirleysburg, has been re-nominated for Legislature. General Lane served his constituents faithfully in the last House. He is an earnest and untiring worker, and never allows the interests of his constituents to be prejudiced. The beneficial legislation which he secured, for the county, last winter, will long be remembered. He was one of the most prominent members of the House, and should be returned to give us character at the Capital.

For Prothonotary we have presented

THOMAS W. MYTON.

Mr. Myton is comparatively a young man, who, during the dark and bloody days of the rebellion, entered the service of the Government and gave an arm as a sacrifice that his country might live. He filled the office of Treasurer for a term, studied law, and is now in a fair practice. He is an exceedingly honest and temperate gentleman, and fully competent to discharge the onerous duties of the office for which he is a candidate.

For Register and Recorder the Convention presented the name of

WILLIAM E. LIGHTNER,

of West township. Mr. Lightner has been a cripple for many years, which has caused him to deviate from the ways of his fathers and pursue the profession of a school teacher. He comes from an excellent Republican family, is a very moral and upright young man and ably qualified for the duties of Register and Recorder. He is a graduate of one of the best Commercial Colleges in the country. There will be very little opposition to his election.

H. C. MADDEN,

our candidate for District Attorney, is a young man who possesses the elements to make a most excellent and thorough-going District Attorney. He is rapidly working himself into a practice and makes friends with all those who have business with him. As there is no opposition he will have a clear field to himself.

In the person of our esteemed fellow citizen,

DAVID HARE,

our candidate for County Commissioner, the Convention had especial reference to a proper representation of the farming interests of the county. Mr. Hare is a very successful farmer and an excellent business man, and the very best man for the place that the Convention could have selected. He will run a very heavy vote among the farmers wherever he is known, and there are but few throughout the county that are unacquainted with him. He is at present the efficient President of the Huntingdon County Agricultural Society.

For Director of the Poor we have

MICHAEL H. KYPER,

of Shirley township. Mr. Kyper, like Mr. Hare, is also an intelligent farmer and a shrewd and careful business man. In him the farmers of the county will find one of their ablest and best advocates; and under his administration the Poor House interests will be most carefully guarded. There is no office to be filled in the county that requires a better man than this, and we are satisfied that Mr. Kyper will be the right man in the right place. And lastly we have

BARTON GREEN,

of Barree township, for County Auditor. Mr. Green is now in the board of Auditors, and is fully qualified, by both experience and education, to look after the finances of the county. He has no opposition, and will, therefore, walk over the course without an effort.

Republicans, this is your ticket! Was there ever a more moral, upright, efficient, better qualified ticket presented to you for your suffrages? We can scarcely see how it could be possible to present a better.—Then gird on your armor and prepare for the fight! It is your duty to elect them, and we have no doubt but what you will!

☞ We occasionally come across a Democrat who goes for the *Globe's* Mule ticket with a vengence. We met one the other day who suggested that the *Globe* had, for years, denounced guerrillaism in the severest terms, and now it was the especial patron of that odious ism. How things do change!

☞ The make-up of the Hollidaysburg *Standard* is frequently a riddle to us. Its items contain so much in little, and its editorials so little in much.

END of the GENEVA ARBITRATION.

$15,500,000 Damages Awarded.

Gen. Grant has added another glory to his administration in the peaceful settlement of our long standing and threatening difficulties with Great Britain, growing out of the Alabama claims.

Official advices from Geneva state the Court of Arbitration held a final sitttng on Saturday, when the finding of the Court was officially promulgated. The five arbitrators, the Agents of the respective Governments, several of the counsel, twelve ladies, and ten journalists were present. Count Sclopis, President, reading the arrangements of the Arbitrators concurring in the decision of the Tribunal, announced that the sum awarded to the United States was $15,500,000 in gold. It will be recollected that by the terms of the treaty the award is payable in gold at Washington within one year from the date of the award.

The decision of the Court is signed by all the Arbitrators except Sir Alexander Cockburn, the representative of England in the Board, who will give a separate judgement, agreeing with his colleagues only in relation to the Alabama aware, which case constitutes the greater portion of the total sum. Damages were granted in the case of Florida by a vote of four against two. All other cases presented by the American Government were dismissed by the court.

☞ In the dark days of the rebellion, when traitors were threatening the life of the nation, in response to the call of the President for more troops. Thomas W. Myton was one of the foremost to shoulder his musket and go forth to battle for his country's flag, and faithfully did he perform a soldier's duty until he lost his arm on the battle-field.

In this dark hour of the nation's peril where was McNeil? At home, sympathizing with the traitors who were seeking to destroy the Union and denouncing the Administration that was endeavoring to preserve it.

These two men are now before the people of Huntingdon county contestant applicants for the office of Prothonotary.—And if honest voters will but for a moment consider the claims of the respective candidates, they cannot hesitato in deciding who is entitled to their support. It is but a small boon that Mr. Myton asks at their hands, and the greatest gift within their power to give can but in a small degree compensate him for the sacrifice he has made for his country. Vote for Myton!

☞ Mr. McNeil is a volunteer candidate for re-election to the office of Prothonotary, and is proclaiming his own good quallifications and *claims* for the same. He may be seen almost every day beseeching every voter he chances to meet on the streets and highways, and is particularly kind and bland to gentlemen from the country, importuning one and all of them to vote for him at the ensuing election, doubtless to the neglect of his official duties. The spoils of office and his eager desire of gain have induced him to make extraordinary exertions to retain his lucrative situation. He is, however, apparently sick with the prospect staring him directly in the face, that he will be badly defeated by the gallant, one-armed soldier, Thomas W. Myton. His fears will be fully realized on the second Tuesday of October, as the verdict of the people, on that day, will be for the man with one arm. The very air proclaims it unmistakably.

☞ The people—the Republican voters of this Congressional district—understand Mr. Speer, and will vote for a man entertaining the same Republican principles with themselves, one who is honest, capable and worthy, and who will maintain and defend their rights and best interests in the Congress of the United States, and who is the warm and decided friend of the President and of the measures of the Administration of the general government, and that man is Hon. A. A. BARKER, of Cambria county, the Republican candidate for Congress. Republicans of Huntingdon county, vote for him, and thereby carry out and maintain your own cherished principles of protection to domestic industry and the rights and liberties of the whole people.

MR. SPEER A FREE TRADER.

The Hollidaysburg Register says:

"If R. M. Speer be elected, and the Democrats place in nomination a Free Trade candidate for Speaker and other officers, judging from his vote two years ago, he will vote to place the organization of the House in the hands of Free Traders.—He must do it or be placed outside of the party. Then the committees, particularly that of Ways and Means, which has charge of the tariff, would be made up in the interests of the Free Traders, and what good would be the vote of Mr. Speer in favor of the tariff? After doing all he could in favor of British Free Trade by voting for a Free Trade organization of the House, and in effect killing protection, he might vote for a Tariff, when his vote would be of no avail! No. Let us elect Mr. Barker, who will vote for a Tariff organization of the House, and for protection in every shape and all the time. He is active, intelligent, competent, and will make a good member. Every friend of Grant, every friend of Hartranft, every friend of the Republican party, every friend of the Union, every friend of the soldiers, every soldier, and every man who was in favor of crushing the rebellion, will vote for Mr. Barker."

☞ The interference of Mr. Speer, in the affairs of the Republicans, has disgusted a large number of Democrats, and besides this they assert that they can have no confidence in the man who is so frequently acting in concert with the opposite party. He has been acting with Republicans on the tariff question, and taking these two facts together they don't know but they will wake up some fine morning and find Mr. Speer a Republican. Vote for Barker and then you will know exactly who you are voting for!

☞ We have received a copy of a pamphlet, published on tinted paper, by Henry Carey Baird, of Philadelphia, entitled "Dream of a Free Trade Paradise and other Sketches," by our esteemed friend, Cyrus Elder, Esq., of Johnstown. We have read several sketches and pronounce them capital. The workings of Free Trade are presented in a simple and yet comprehensive form, so as to appeal to the understanding of the most ordinary intellect.

☞ Gen. Lane is in favor of a Republican United States Senator and a fair Congressional Apportionment. His opponent is pledged to work in the interests of the Democrats.

MR. SPEER AND THE SOLDIERS.

Mr. Speer's slander of Gen Hartranft, says the Blair county *Radical*, was not done in the heat of debate, without deliberation, as some of his Democratic friends wish to make believe: but it was his deliberate purpose and is but an expression of his hatred of the Union Soldiers. In 1863, while he was part owner and editor of the Huntingdon *Monitor*, that journal teemed with abuse of the Soldiers, and he spared not even those from his own home. He denounced a regiment partly raised in his own county as an UNHOLY MOB and heaped upon them every vile slander. The following taken from a Huntingdon correspondent of the Philadelphia *Press*, of the 1st of June, 1863, will show what were his sentiments then:

"The *Monitor* has been published since last August, and has been a violent anti-Administration paper, denouncing its war measures, and endorsing Vallandigham as a true Democrat, besides frequently publishing articles to offend the Union Soldiers in the field. The paper was distributed free of charge amongst the men of the 125th Regiment, under Gen Hooker. Four companies of this Regiment were from this place, and I have been informed by members of the regiment that the men determined before they left the army, to destroy the office as soon as they should arrive at home. One article in the *Monitor* published some three weeks ago, denounced the Regiment as an UNHOLY MOB. The four companies arrived at home early on Wednesday morning last, May 27. About 10 o'clock a dozen or more of the soldiers entered the office and in less than half an hour the press, type and every thing else, was thrown into the street and destroyed, and the office sprinkled and swept out."

☞ Republicans, take notice that Henry R. Shearer, guerrilla candidate for the Legislature, secretly promises Democrats that he will vote for Greeley and Brown and, if elected, for a Democratic United States Senator. Couple this with the fact that Mr. Speer urged the endorsement of the guerrilla ticket, by the Democratic County Committee, on the ground that his election depended upon this action of the Committee, and you have the glaring fact that the would-be Independent ticket is a Liberal-Democratic ticket without a scintilla of Republicanism about it. No good, honest and square Republican can vote this ticket! Spot the Republican who does!

☞ It turns out, as we predicted, that the Independent ticket is a square bargain and sale with the Democrats. *Every man on it is pledged to vote himself, and to secure the votes of his friends for Mr. Speer.* Republicans, will you lend yourselves to this kind of guerrillaism? Have you not had enough of this kind of thing? Do you want to keep up an eternal strife in the Republican party? Do two wrongs make a right? Act the part of men and Republicans! Stand by the ticket, and when your time comes the party will stand by you! Show the people of Pennsylvania that Huntingdon county discards guerrillaism.

☞ The last Altoona *Tribune* thus speaks of Mr. Speer's speech of Monday night:

"Mr. Speer's address would have had a much better effect had he concluded without that tilt against Gen. Hartranft. That Gen. H. was not identified with the Evans swindle, has been clearly shown to unprejudiced minds, and there is nothing gained by further efforts to couple him with it. We are not a particular admirer of the Republican candidate for Governor, yet we dislike injustice. The fling at Mr. Barker, his opponent, was so much below anything we supposed him capable of descending to, that it struck us with astonishment, causing shame to his friends, and disgusting Republicans who have heretof. re thought well of him."

☞ There is no other county in the State save Huntingdon, we think, when Democrats buy up Delegates to the Republican county Convention. Here they do such small things fearlessly. Give their checks for $150 or so, payable to the order of the purchased, without any compunctions of conscience. This may be an old idea in Huntingdon county but it is a new one to us. Hands off, we think, would be better policy.

☞ Our devil says he learns from the *Post* that the Liberals have a "Highway Department" in Philadelphia. Alec McClure is at the head of it. There is a committee connected with it whose business it is to raise funds for campaign purposes. They make the Liberals and Democrats "Stand and deliver!" "Your money or your life!" is their cry. It looks like death either way, don't it?

☞ Remember that Gen. John F. Hartranft has been the Auditing Officer of the State for the last six years, and that during that period he has paid over TEN MILLIONS of the State debt. He will make a good Governor. He is an honest man and a brave soldier. He sprung from the people, and, therefore, understands their wants. Vote for Gen. Hartranft.

☞ A law student from the rural districts writes to a friend thusly:

"I ought to say something on the political questions that are being agitated, but space forbids.—It is hard, at present, to say how the election will go this fall. Possibly Grant or Greeley may be elected. Indeed it is said the fight will be between these two Generals, and both may be elected.—After reading the latest number of the Huntingdon *Globe*, I infer that Greeley will be likely to carry Kanada, Cuba and Kentucky. If Grant carries New York and Madagascar, (and the *Globe* don't deny but he will) his chances for re-election will be decidedly good.

☞ The Speaker of the House of Representatives shapes all the Committees.—Mr. Speer voted for a Free Trade Speaker of the last House, who, if he had been elected, would have appointed a Free Trade Committee of Ways and Means, that would have shaped all the tariff legislation. Consistency, thou art a jewel!

☞ Tax-payers, vote for David Hare and Michael H. Kyper, who are immediate representatives of the farmers, (who pay the great bulk of the taxes,) and your interests will be strictly guarded! Vote for Hare and Kyper!

☞ Mr. Speer, in his speech at Altoona, slandered Gen. Hartranft. The latter was a brave and successful soldier, and Mr Speer could not help giving him a left-handed punch. Soldiers, when you come to vote, remember that Mr. Speer slandered one of your old commanders!

☞ Mr. Speer has learned, to his cost, that the Republican party will not tolerate Democratic interference. We hope he may always *check* up in time! However, too many *checks* may produce unpleasant consequences.

☞ The Democratic *Speer* has been badly frightened by the Republican *Barker*. It has been reversed. The *Standard* will note the fact.

ACCIDENT TO GENERAL ALLEN.—The Erie *Dispatch*, of Friday, says: At four P. M. yesterday, Gen. Allen, our candidate for Auditor General, while stepping on the cars at the depot to go to his home in Warren, missed his footing—on account of the pressure of the crowd on the platform—and fell under. One of his feet was crushed, but how badly we could not learn. The general was taken to a private house, where he received surgical attendance. He left for home on the seven P. M. train, in care of a number of friends. We trust the injury may not be serious, though it will probably keep him on crutches for some time, as his services in the campaign are too valuable for him to be cooped up at home. His many, many warm friends will not permit his interests to suffer while he is temporarily a prisoner at his residence.

"The JOURNAL calls upon the Democrats to defeat the Independent ticket. That's cool."—*Globe.*

Well, neighbor, is it any "cooler" for us to ask Democrats to defeat the Independent ticket than it was for you to set up a ticket for Democrats to vote before you were warm in the party? Now, wasn't it just the least bit of presumption on your part, having just gone over, you know, to manufacture a ticket for those who had always stood by the old Democratic ship? A great many Democrats think that it was, and call it the "MULE TICKET!" by way of showing their contempt for it. "The *Globe's* MULE TICKET!" What a name! How "cool!" "MULE TICKET!" Ha! ha!! ha!!! How appropriate!

"Is it *manly* in Mr. Barker to make use of an ignorant class of people, from another State, to give him what might be denied him by the voters of this district?"—*Globe.*

Is it "*manly*" in you charging Mr. Barker with the importation of men—manufacturing a statement out of whole cloth that he received them at Altoona—when no such men were imported and consequently nobody received by him? The *Globe* knew that the statement was false when it gave currency to it. Mr. Barker does not need any imported votes. He can clean Mr. Speer out and give him several hundred in the race. Put this in your pipe and smoke it.

☞ Mr. Speer, anxious to catch the vote of soldiers, introduced a bill into Congress to pay $33.00, which is due a number of veterans, but for some unaccountable reason, failed to have it passed. For this effort, he wants soldiers to vote for him. If he had rendered them some service, then he might have some good reason for his expectations, but as it is, he has no claim upon them. Mr. Barker is not only in favor of this bill, but he is in favor of giving each soldier 160 acres of land, to do with it as he pleases, without a personal residence upon it. Elect Mr. Barker who will be in harmony with the majority, and he will carry the measure through. No Democrat can!

☞ Mr. Speer, in his labored defence, in the last *Monitor*, alledges that we are "servile" because we have "made a base effort to prejudice the minds of those who are known as the Labor Reform party."—Ah, indeed! Is Mr. Speer in sympathy with the W. B. A.? Is he in favor of the Columbus Platform? Is he favorable to the election of Wm. P. Schell for Governor? Is he in favor of the Labor Reform County Ticket? Is it "servility" to say that he is not? Will the publishing of the like inevitably redound to the lasting discredit and infamy of its author? "Come, Mr. Speer, "hould up yer purty face and answer me that!"

☞ We cannot spare the space to reply to Mr. Speer's two-column article, in self-glorification, in the last *Monitor;* and, if we could find the space, there is nothing in the article which requires so much attention. Mr. Speer, in his brief career as a Congressman, grasped at every measure in which he could see any votes. It was no love for the soldiers, their widows and their orphans, that prompted him to introduce the measures which he now parades so conspicuously. The motives which urged him were exclusively selfish.

☞ Mr. Speer alledges, in the last *Monitor*, that "he is receiving the most flattering eulogies at the hands of Mr. Travelick," one of the Labor Reform champions. Mr. Travelick was deceived by the party action of the Labor Reformers of Blair county. How is it with the Labor Reformers in this county, pray? Where are Flenner, Dunn, Pollock, Miller, Langdon, Evans, and other leaders of the Labor Reform movement here? All going for Barker, ain't they? But they are "*lesser lights,*" says Mr. Speer!

☞ Republicans, examine the registry list and see if your name is thereon. You must be registered at least *ten days* before the election—that is to say, on or before Saturday, the 28th instant—or you cannot vote. See to this matter. We also call upon the members of the County Commitee, a list of whose names was printed a week or two ago, to urge those to get registered who are backward.

☞ When a camp meeting can get hold of a candidate it makes him shell out; then some worthy brother, to induce some hard-fisted chap to "come down" liberally, cries out—"Mr. R. Milton Snooks, fifteen dollars!" Methodists understand these little dodges, and laugh at the credulous candidate. Liberal camp meeting contributions, in a campaign, never bring Methodist votes.

☞ What can Mr. Speer do in Congress, for the tariff, in opposition to his party? Send Mr. Barker there, and he will be in harmony with the majority, and if anything can be done he will do it.

☞ Farmers, Mechanics, and Business Men, vote for Gen. F. H. Lane, who has saved you thousands of dollars by the judicious legislation that he inaugurated last winter. Vote for Lane!

☞ Make no other calculation than to vote the *whole* Republican ticket. Every man on it, from Governor to Auditor, is worthy of your undivided, hearty, zealous support.

☞ The *Globe* has found a "mill" at last. It is in Mr. Speer's office. It grinds well.

☞ If the *Globe* had not originated the story of the importation of negroes, into this district, it would have been without a sensation last week. The fact that negroes have been employed, grading railroads in Blair county, all summer, was known to everybody except the editor of the *Globe*, it seems; and, if they are citizens of this State, legally qualified, they have as much right to vote as the editor of the *Globe* who rides upon the railroads which they build, and, if they are not citizens, legally qualified, they will not vote. So ends the matter!

☞ The *Globe* says, speaking of Mr. Speer:

"He is a man of the people, and the people, irrespective of party, should unite in elevating to position one so honest and capable."

Why so? Why should he be elevated over any Republican who is also "a man of the people?" And especially one that has done a thousand times more for the people than Mr. Speer has. In truth, what has Mr. Speer ever done for the people to lay claim to so much? We mean, politically, of course.

☞ Mr. Speer, we are informed, has introduced still another element into politics. This time it is *Railroad "Passes!"* He is now promising Republicans, as an inducement to vote for him, "passes" over the Pittsburgh, Fort Wayne & Chicago Railroad. Look out for this dodge! Mr. Speer won't import negroes, but *he will buy white men with Railroad "Passes!"*

☞ There has been a great desire to know the object for which a distinguished Democrat gave a check for $150, to a Delegate to the Republican County Convention. It is thought universally it was to secure that Delegate's influence against Hon. S. S. Blair. Mr. Blair's friends so regard it and vote for Barker unanimously.

☞ Horace Greeley passed through this place, on his way to deliver the Annual Address before the Indiana County Agricultural Society, on last Wednesday evening. A large crowd awaited his arrival, to whom he made a brief speech.—Seymour did the same thing four years ago. The country knows with what success.

☞ Alec. McClure is sending the New York *Tribune* broadcast until after the November election. He generally sends a notice, under the frank of Hon. Samuel J. Randall, informing the persons that the weekly *Tribune* has been mailed to them. You might as well quit, Alec, all the *Tribunes* in christendom won't save Horace.

☞ Mr. McNeil is very anxious now to secure Republican votes, but last fall at the election, no one was more active than he to keep Republicans from voting and endeavoring to change their tickets. Republicans, Mr. McNeil is a red-hot Democrat and as such you have nothing to do with him. Vote for Myton.

☞ Republicans, appoint challengers to stand at the windows to see that no fraudulent votes are polled. Let every ticket be examined before it is voted lest it be bogus! Bogus tickets will be as plenty as musketoes these warm nights. Examine every ticket and see whether it has Barker on it.

☞ We are informed that the eastern and southern portion of the county accept the challenge offered in this paper two weeks ago and agree to meet the western portion of the county, on last fall's vote, and go one hundred better. Now, then, stand to your guns!

☞ The confident and sanguine Mr. Speer says he has given no attention to Huntingdon yet, nor does he intend to do so until the day of election, when he will "Take it by Storm!" Republicans, teach this boaster that you are not as easily stormed as he thinks you are!

☞ There has never been a day, since Mr. Barker located in Cambria county, that he has not devoted all his energies towards building up and developing that region. Thousands have enjoyed the fruits of his labors! Vote for Barker!

☞ "The miners, furnace and forgemen," says the *Monitor*, "are going for Hon. R. Milton Speer." If the reports from the iron manufactories of the district are correct, they are "going for him" in a way that he will not like. Exit Speer!

☞ It is currently reported here that a prominent county official, of this county, has been piloting about, introducing and recommending a portion of the Independent ticket. Is this so? We pause for a reply!

☞ The Soldiers' and Sailors' Convention, at Pittsburgh, was one of the most numerous and enthusiastic assemblages which has convened in the history of the country. It set old Allegheny ablaze!

☞ Our Methodist friends, at Alexandria, two years ago, helped Mr. Speer liberally for promises. Were they fulfilled? Will you help him again?

☞ "For General Hartranft we have nothing but praise. He was a gallant soldier, and he has been a faithful official.—He is a Radical Republican, and would make a good Governor."—JOHN W. FORNEY.

☞ Are you assessed? Are you registered? If not, attend to it at once. Do not wait for the Committee to stir you up.

☞ Workingmen, vote for Barker, who keeps hundreds of men constantly employed, and who knows your wants and interests! Vote for Barker!

☞ Republicans, Saturday next, the 28th inst., is the last day on which you can be registered. Don't hesitate a moment. Go and attend to it!

☞ Republicans, do not scratch a single name on the ticket from Governor to Auditor. Stand by the ticket and the party will stand by you!

☞ A handsome Nickel-plated conductor's lantern will be voted for between the passenger conductors on the H. & B. T. R. R. at the Fire Apparatus Fair.

☞ VOTERS, REMEMBER, if you do your whole duty, Gen. Hartranft will be elected Governor by 25,000 majority.

HUNTINGDON, Sept. 23, 1872.

GRAFUS MILLER, Esq., Chairman, &c.

Dear Sir:—Your letter informing me of my nomination for the office of District Attorney, by the late Labor Reform Convention, is before me. This unsolicited honor, bestowed by the honest, intelligent, laboring men of the county is far more highly appreciated than it could be if it had been won by an effort amongst politicians. I am obliged, however, to say to you that I cannot be a candidate. The office of District Attorney is one to which I do not aspire and which I would not under any circumstances accept, moreover, I am unable to see how my election could advance the interests of your organization. Mr. Madden, the Republican nominee, for that office, is a man of highest merit, and eminently fitted for the position. I desire his election, and instead of doing anything to prevent it, I must be permitted to do what little I can to promote it. Please be assured that whenever the laboring men of Huntingdon county *need* my feeble services they will only have to command me.

Very Respectfully, &c.

P. M. LYTLE.

A Card.

HUNTINGDON, Sept. 23, 1872.

Mr. Editor.—It is being represented by some of the designing, that I am opposing the "Independent Ticket" of this county, nothing in my letter warrants such a conclusion.

I am only opposing the Hon. R. Milton Speer. I am doing this because I believe in keeping inviolate the nominating system, because I believe in the majority of the people saying who shall be their nominees. This I think the people of this county desire, *it is what I will always contend for regardless of consequences*, and it is what we must have if we would perpetuate the true character of our institutions.

The people of this country are crying out from the depths of humiliation, from the depths of bitterness, God save us from "Rings" and combination of "Rings" or we perish!

Although smarting under the presence of wrong, through personal consideration for Mr. Speer in conjunction with party consideration I would have refrained from opposing the honorable gentleman in his election had I not met with his public defiance. The gentleman appears in heavy armor, being clothed in the panoply of a congressman and a party nomination, but regardless of this he will find that men dare defend themselves against an unjust attack. Respectfully,

MILES ZENTMYER.

GRAND REPUBLICAN

MASS MEETING,

AT THE COURT HOUSE,

IN HUNTINGDON,

THURSDAY EVENING, SEPT. 26.

Gov. E. F. NOYES and ADAM E. KING,

Two of the ablest speakers now on the stump in Pennsylvania, will address the meeting. Democrats and Liberals are invited to attend.

REPUBLICANS RALLY!

MASS MEETING IN HUNTINGDON, ON WEDNESDAY EVENING, OCT. 2d.

COL. CLARK E. CARR

and COL. J. F. MANNING.

Two able and eloquent speakers will address the meeting. Democrats, Liberals and all others are invited to attend.

GRANT AND WILSON—HARTRANFT AND ALLEN.—We propose holding meetings at the following named times and places. The best speakers to be obtained will be in attendance and address these meetings. The "Tidal Wave" or "Ground Swell" which was to have swept across the continent and carried the Sage of Chappaqua into the White House, has failed to come to time, and we now find Horace Greeley floundering about with no organized party at his back, whilst Gen. Grant sails along calmly and smoothly toward the coveted prize, with scarcely a riffle to mar the way.

Republicans, we have been victorious on every side. All eyes are turned to Pennsylvania, which is to be made the battle-ground in the contest. Huntingdon must do her full share of the work. Our friends are earnestly urged to make these meetings large and enthusiastic. See that nothing is left undone. Work, work, prompt, quick, active work is what we want, and the result is assured.

GRIST MILL FOR SALE.
Will be offered at public sale, on the premises,

On Thursday, October 17th, 1872,

at 1 o'clock, p. m., the GRIST MILL and four acres of ground, more or less, known as the "McConnellstown Mill." It is within half a mile of McConnellstown Station on the H. & B. T. R. R., and only five miles from Huntingdon. A ready market is always at hand for all the flour and feed that can be made at the mill. The mill has a splendid custom, with water enough to run two pairs of burs, day and night, nine months of the year. All the grain can be bought at the mill that can be used, as the country surrounding is a splendid grain producing country. The mill is in good running order, has three run of stones. The ground that goes with the mill has about sixty choice apple trees planted on part of it, just commencing to bear.

Persons desiring to purchase a mill property will do well to examine this one. Possession will be given on the 1st of January, 1873, if desired.—Any person desiring to purchase can call at the mill and examine it.

We will also offer, at the same time, 17 HIVES OF BEES, part of them Italian, all in the latest improved hives.

For further particulars, call on or address

Brief Mention--Home-Made and Stolen

Don't fail to be registered.

Mt. Union needs a brick yard.

Our job presses are kept busy.

The glass works are a fixed fact.

The Band's uniform is handsome.

Saturday is the last day for registering.

We congratulate our friend, Frank Isenberg. It's a Grantite!

Don't forget the meeting on Thursday next. Come one and all!

Read the advertisement of house and lot for sale by D. M'Cahan.

Work will be commenced upon the Glass Works in a week or two.

If you want an excellent store room we have one for sale in M'Connellstown.

Heavy—The expenses of the borough for last month. The tax-payers pay the piper.

Col. John W. Mattern is stumping in Blair county this week. He is an excellent worker.

Cool—The reception of H. G., at the depot, on Wednesday night. Poor, deluded old man!

Don't forget the Republican meeting, in the Court House, on Thursday night. "Rally once again!"

Speer is speaking a piece in different portions of Cambria county this week. Barker will *check* him.

Everybody and "their friends" will be in town, attending the Fair, next week. Don't forget the printer.

Barker is making a vigorous fight, and will be able to *check* Speer for Salt River without any trouble.

Col. J. A. Doyle, of Washington, dropped into our office the other day. He is on a visit to his friends.

Rev. Bishop Simpson will preach in the M. E. Church, at Alexandria, on Sunday next, September 29th.

There are two things in this world that are unsafe to trifle with—a woman's opinion and the business end of a wasp.

On the first of October the stamp duties on all business papers and legal documents, save bank checks, will be removed.

Mr. David Dunn deserves the thanks of the community for the manner in which he urged the Glass Works. Well done!

Greeley has been done in sugar by an enterprising confectioner, and now every little shaver in the country goes in for licking him.

The Brady Agricultural Association will hold its First Annual Fair, on Saturday, the 28th inst., at Roxbury, six miles from Mill Creek.

Bustles made with steel springs and gauze are all the go among the ladies this summer—and they look very *stern* whenever they wear them.

"Fellow-come-follow-me" is the name of the streamers the girls now pin on their backs, between their shoulders. A good place to hang a sign.

Speer says he will have six hundred majority in the district. Who are the guerilla Republicans that he expects to vote for him? Or, is he only boasting?

P. M. Lytle, by a card in another column, gracefully declines the nomination for District Attorney tendered him by the Labor Reformers. He goes for Madden!

The Republican voters, of this borough, will *check* R. Milton Speer's intended storm on election day. Remember, Republicans, no "complimentary votes" this time.

Tycoon McClure's show—Horace Greeley and Beef Bigler—passed through this place on last Wednesday night, but only fifteen minutes were allowed to show the animals.

Mt. Union has added one hundred to her population in the last year. Excepting Huntingdon, Mt. Union is the largest borough in the county.

The soldier received his (Speer's) earnest attention.—*Globe.*

Yes, during the dark days of the rebellion, when he advised drafted men not to report.

Speer and M'Neil are doing their level best to "crush out" the *Monitor* and build up the *Globe.* How do you like it, Brother Cornman! Will you tamely submit to such base ingratitude?

Col. John A. Lemon, of Blair county, received the Republican nomination for Senator, in the district composed of the counties of Blair, Somerset, Bedford and Fulton, on Tuesday of last week.

Our esteemed friend, I. H. Rawlins, Esq., of Hollidaysburg, is stumping in the lower end of this county. He is an earnest, fearless, and consistent Republican. He will do efficient service.

The Accommodation train, on last Thursday evening, on the Broad Top road, ran off the track, at Saxton, owing to a misplaced switch. It is supposed that the switch was tampered with.

McNeal is quaking in his boots, since he finds the "complimentary vote" business played out. Vote for Myton, the man who gave an arm to his country on the bloody field of Chancellorsville.

While Barker assists the laboring classes Speer does nothing but run the politics of the county. Vote for Barker, the friend of the laboring man, and thereby *check* R. Milton in his Congressional aspirations.

The Grant, Wilson and Hartranft Club, at Shade Gap, we learn from a correspondent, who signs himself one of the "Club Boys," (which we would like to publish if we had room,) is doing an excellent work.

A large and enthusiastic meeting was held at the Republican Club Room, in this place, on Saturday evening. Speeches were made by J. K. McCahan, K. Allen Lovell and J. W. Mattern, Esqrs. The ball is rolling.

Lawyers live on the misfortunes of others.—*Exchange.* No more so than other professions or branches of industry; the doctor, the minister, the carpenter, the mason, the blacksmith, the store keeper, yea verily, every body. Think for a moment.

The Democratic papers of this district call Speer their "talented young Congressman." He did not evince much talent in that *check* transaction. The veriest simpleton in the land could have covered up that little bit of rascality better than he did it.

In view of the establishment of Glass Works and a Car Factory in this place, it would be well to secure a home by purchasing a lot. Give our Agency a call. We have a few splendid lots for sale.

The *Globe* is still engaged in driving at the Labor Reformers. Its master, and part owner, R. Milton Speer, has no love for the man who has to earn his bread by honest toil. Laboring men, mark the man who looks down upon the hard-fisted yeomanry of the country.

The other night a young man propounded the usual question to the idol of his heart. She laid her soft white hand in his, put her head on his manly shoulder, hove a sight of resignation and in dulcet accents that sounded like sweet music on the water, whispered: "Yes, dear; anything to beat Grant."

The two mite(y) widow of history has been equalled by a lady of Mifflin county. On a recent Sabbath the latter gave all she had (i.e. all her small change,) to the fund for disabled ministers; and on the next day actually had not wherewith to purchase a yard of pink ribbon, of a poor peddler. Such reckless generosity, in these days, is rare.

We have, in a former issue of the JOURNAL, spoken of the superior merits of the *American Land and Law advisor*, and of its usefullness to every busines man, land owner, or those about to build, or purchase any kind of property. Every issue that comes to us appears to excell its predecessor, and we most certainly congratulate the publishers on their enterprise in supplying a want long felt in this country. It gives you all your *Legal advice free*, original designs for cottages, dwelling houses, suburban and country residences, and a vast amount of information found in no other journal in the world. We find the following law questions answered fully and satisfactorily in the last issue of the *Advisor*. This feature is alone worth to every subscriber *ten times* the subscription price.

Does Deed from Projectors of a Real Estate Lottery to Lot drawn therein, convey Good Title? (A. R., of Butler.)

When is a Daughter of Age in Pennsylvania? Can Girls at 18 Marry Against Parents' Wishes? Does Marriage Certificate Require a Revenue Stamp? (G. G. Westfall.)

Under Peculiar Circumstances, How far Does Verbal Agreement Operate in Contradiction to Written Agreement About Same Matters? (Olivet, Pa.)

What Redress Has He Who Endorses for Another for a Consideration and Has to Pay. Where the Endorsed Party Gets Rid of the Consideration Before Note is Due? (J. B. a sub.)

How Shall money be obtained Fraudulently from a Demented Person be Recovered? (O. E.)

How Shall Tax-Collector Get Tax on House that No One Will Own? How Can Liquor be Retailed in Beaver county, Under Present Law? (B. J. Goff.)

Where Man Carries On Business Under Different Name, Would His Goods be Subject to Attachment, Held Under the Other Name? (Subscriber, Butler Co.) In Missouri, How About Interests on Notes Compounding? (Buffalo.)

In addition to the above, the publishers give to every yearly subscriber, a beautiful *oil chromo, The Lost Babe*, fully worth $5.00;—all for $2.50. We would advise all those of our readers who have not yet subscribed for this useful weekly paper, to send stamp for sample copy, and they will find it the most profitable investment they ever made. Agents wanted by the publishers in every city, town and village in the United States. Address Croft & Philips, publishers, Pittsburg, Pa.

N. B.—Copies of the *Land and Law Advisor* can be seen at the office of the JOURNAL.

The Pittsburgh "*Peoples Monthly*" for September has reached us, full as usual of most excellent *home* reading, and illustrations. The "Household" and "Boys and Girls" departments are interesting and valuable features, and as twice the cost of the paper is actually *given away* to the subscriber in chromos, or engravings, those wishing a pure, bright, and universally popular family paper, should send $1.50 for a year's subscription. Send three months on trial for only twenty-five cents.

The *Phrenological Journal* for October commands our approval for the variety and quality of its interesting contents. We think the following articles especially worthy of reading: Lowell Mason, the late eminent musician and teacher; The One-Eyed Conductor; Japanese in America, with portraits; Expression, its Anatomy and Philosophy; Preparing for the Cholera; Water—Pure and impure; Children's Rights; The Last Case of Salem Witchcraft; Life Insurance; Enrico Dondolo; The English Language. In these we certainly have instructive, moral literature in a very attractive dress. Price for the number, 30 cts. $3.00 a year. S. R. Wells, New York.

Scribner's Monthly for October is a remarkable number for the variety of its articles and the profuseness of its illustrations. It opens with a pretty little poem by Mrs. Bradley, with a graceful illustration by Miss Hallock; this is followed by a ballad by Col. Hay, entitled "Ernst of Edelsheim." Then come some admirable illustrations of Tobacco Culture in the South, with accompanying descriptive article, and another lively illustrated paper on paris by Edward King. Mr. Tuckerman, formerly Minister to Greece, furnishes a very entertaining sketch of Modern Athens, with a view of the city from a late photograph. Another illustrated article is Mr. Cooke's account of a day's hunting on the Prairies. There is a very suggestive essay by Dr. T. M. Coan of the *Independent*, under the title of "Broad views; and the shorter articles are all readable —"Loiterin about a French Chateau," by Albert Rhodes: "A visit to the Grange" by Kate Hillard; "Mr. Beecher as a social Force," by A. McElroy Wylie; "A Village Ball in the Hartz," by G. Haven Putnam; and "Letter to a Young Journalist." A long and interesting installment of Mrs. Oliphant's "At His Gates" is given; there is a clever story of "My School at Fern City," by Miss Kate Putnam Osgood: A charming sketch, "The Queen of the bees," from the French of "Erckmann-Chatrain; with additional poems by Miss Buchnell and Charlotte F. Bates.

In "Topics of the time" Dr. Holland discusses "The New York Woman," "The art of Speaking and Writing," and "Sectarian Culture and What Comes of it." The Old Cabinet deals with "A Dangerous Question," "Limitations," "Beauty and the Beast," "My Colored Washerwoman," etc. Nature and Science, Home and Society, and Culture and Progress, are full as usual, and the number closes with some Society verses (Etchings) by Mr. Baker, with more of Miss. Ledyard's characteristic designs.

The new volumn of *Scribner* will contain some features of remarkable interest. Dr. Holland's new serial, "Arthur Bonnicastle," will commence with the first number (November), and will continue through the year. It will be beautifully illustrated by Miss Hollock. Bret Harte will have a story running through two numbers; there will be some capital stories by Saxe Holm, Noah Brooks, Fannie E. Hodgson, and others of our best story-writers; Mr. R. H. Stoddard, the poet, will furnish a delightful series of papers about authors; Mr. Clarence Cooke promises a series of practical essays on Furniture and the Decoration of American Homes, and there will be a series of portraits of some of the Younger American Authors.

The *Aldine* for October is a brilliant number. It opens with a full page drawing, by Vicor Mehlig: a graphic and spirited repsentation of a professional bravo and his employer, and the rival who is about to become their victim. This is followed by "Hollo," and "School Discipline," by John S. Davis—the former, a glimpse of boy life in the country; the boy, in this instance, being a sound urchin, who has stolen into the woods with his dog and gun; the latter, a view of village school-house in which a girl is doing penance among the boys, probably for missing her lesson. F. T. Vance takes us into the Heart of the Adirondacks, of which he gives us three views—"The Glen," a charming bit of woodland scenery, with a little brook falling over rocks into a still pool; "Preston Ponds," and "Lake Henderson," a moonlight glance at that mountain-girdled sheet of water. From Paul Dixon we have "The Hills of New England," and "Evening," two characteristic and admirable drawings. Then comes "A Serious Case," by Ernst Bosch; "Temple of Canova," and "Last Moments of Von Weber;" and, last, a group of "Snow birds," by Gilbert Burling.

The literature is as readable as ever—the most notable articles being "A Last Visit to Lehigh Hunt," by January Searle, a pleasant reminisence of that genial old essayist; "Painted Boats on Painted Seas," by Hiram Rich, a scholarly essay, drawn from a wide range of reading; "October," a pleasant title of outdoor life, by W. W. Bailey, and the "Heart of the Adirondacks." In the shape of stories we have "Prince and Peasant," by Helen S. Conant; "A Woman's Eternity," by Elizabeth D. Leonard, and "Mouse Shoes," by Lolly Dinks's Mother. George W. Sears contributes a characteristic poem, "In the Woods," and S. W. Duffield a pathetic fantasy, which he calls "The two lives." Besides these papers there are editorials on "School Children," "A Serious Case," "The Temple of Canova," and "Karl Von Weber." The subscription price is $5.00 per annum, which includes a superb Oil Chromo, and the publishers are James Sutton & Co. 58. Maiden Lane, New York.

GLASS WORKS TO BE ESTABLISHED.—It has long been a question why Glass Works were not established, in the immediate neighborhood of Huntingdon, owing to the fact that the principal materials used in the manufacture of glass are transported from this immediate vicinity, to Pittsburg and the principal manufacturing points in the east. The only answer to the question heretofore has been found in the fact that no one was sufficiently well acquainted with the business here to embark in it. Yet it was obvious to the most ordinary intellect that if the coal and sand, used in manufacturing of the article, could be shipped from this place to points hundreds of miles away and the glass produced by it still sold at a handsome profit there was no good reason why it could not be manufactured here at a much greater percentage. We stated this fact in an article published in the JOURNAL several months ago. Our remarks then, though only thrown out to start our people to thinking upon the subject, were no doubt of decided advantage to the parties who have made a move to thoroughly test the matter.

During the last week a gentleman named, Hassler, from New Jersey, who has had some fifteen or twenty years experience in the business, visited this place and proposed to raise a company with a capital stock of $25,000, for the purpose of establishing works for the manufacture of glass. He proposed to take $5,000 worth of stock himself provided our citizens would take the balance. Mr. David Dunn took the matter in hands and through his untiring efforts, by Saturday evening last, we believe, the whole amount of stock was taken. This secures the enterprise. Work will commence without delay, we suppose, and ere long Huntingdon will be producing glass. The old warehouse, on the south bank of the canal, below Henry & Co's. store, will, very likely, be fitted up for the purpose. The company will employ a score or two of men and about thirty boys, so that it will add very much to our population and find employment for a number of boys who are now idle. We wish the enterprise all the success it could desire and hope it is the forerunner of many others. Car factory next?

A LITTLE NOVELTY—A MARRIAGE ON A RAILWAY TRAIN.—The Accommodation train, on Broad Top, was the scene of a very interesting episode on Wednesday evening of last week, which was very interesting to all the passengers on the train. When the train stopped at Riddlesburg a young man named Thomas Watson and a young lady named Elizabeth Knox, both of Coaldale, came on board, ticketed for Hopewell. At Hopewell Watson got off when the train stopped and asked for a Justice of the Peace. He was informed that there was none in the place. He then proposed to his lady love to go to Piper's Run. Just here it leaked out that they were hunting a proper functionary to make them man and wife. Conductor McKiernan took the matter in hands; learning that the Rev. George Shaw, of Altoona, was on the train he at once made overtures to the reverened gentlemen to do the little job. The train was stopped some where between Piper's Run station and Tatesville and the twain made one. The passengers made up a little purse of $7.85 and presented it to the officiating minister. The happy couple stopped off, at Bloody Run, and returned to Riddlesburg the following morning. Long may they wave.

MONEY TO BE MADE, AND HOW.—The Pittsburgh "Peoples Monthly," a beautiful 16 page illustrated paper for the home, absolutely gives away to each subscriber far more than its subscription price:—an attractive chromo in the sheet (if varnished, mounted ready for framing 25 cents more), or two choice home engravings, 24x30, or a trial of the paper for three months for twenty-five cents, which is less than cost. What could be fairer? 'Tis a pure, bright, and very popular paper, liked by all who see it, universally approved by the press, and as the only illustrated paper of any size and pretentions in the West, it should be in every western family. Its "Household" and "Boys and Girls" departments are valuable features. Only one dollar and a half for a year. Good live agents on big commission wanted in every locality. Address "Peoples Monthly," Pittsburgh, Pa.

THANKS.—Col. Feerrar, of the Hill street tobacco store, again places us under obligations for another bunch of his first-class segars. He keeps a full assortment of the choicest brands, and lovers of the weed can get anything that they desire at this establishment.

"YE ANCIENT BOROUGH."—Ye subscriber having been sojourning for the space of two days in ye said "ancient borough," has taken note of ye following matters which he has duly transcribed for the benefit of ye readers of ye JOURNAL. He knows that ye citizens of ye county of Huntingdon are interested in all matters pertaining to their ancient county seat, and will consequently give ear unto what has been written.

In Huntingdon the names of the streets are advertised at every crossing, neatly lettered on white boards, so that the wayfaring man, though a fool, may read. Where there are no houses at corners, the said boards are nailed to fences; and where there are no fences,—well, the subscriber didn't go to see.

In the old part of the town the streets and sidewalks are already sufficiently narrow, but the sidewalks are made doubly more so by the protrusion of door steps and cellar doors. When a pedestrian walks on the said sidewalks at night he must either take the middle of the street or reduce his pace to less than one knot an hour, lest he collide with one of the said door steps or cellar doors.

There are nineteen cross-streets, including Stone Creek and the Greenwood Furnace plank road.

Huntingdon has a sewer. It is fifty yards long, and is said to have cost three thousand dollars. It was built to allow water to be drawn from the river in case the "Diamond" should take fire, and is a great convenience.(?) As a work of solid art, it is second only to the Chicago tunnel.

The people of Huntingdon need but one street lamp. That one is located at the corner of Fisher's store. They have other lamps but they don't often use them. Gas costs money.

About a mile of the town is called "West Huntingdon." The sidewalks here are made of boards, and some of them have been broken, leaving holes to catch feet in. Some fine day some foot will go astray here, and some one will fall, and somebody's darling will go home with a broken neck. Then will the Town Council decree that the bloody chasm shall be filled.

Huntingdon has a town clock. Said clock is the pride of Huntingdon. When it strikes, every man, woman and child in the town, who is so fortunate as to have a watch, pulls it out to see whether the clock is keeping correct time. The clock doesn't strike very loudly, but it may do better with practice.—Practice makes perfect. This clock is a great advantage to Huntingdon. It will increase the value of real estate, at least, two hundred per cent. Ere long town lots will not be had at any price. But, if the dials had been placed about seventy-five feet higher, so that others, besides those occupying the band room and public school house could see them, and if the gas were placed so the hands could be seen at night, it might be better.

HOW TO GO WEST.—This is an inquiry which every one should have *truthfully* answered before he starts on his journey, and a little care taken in examination of Routes will in many cases save much trouble, time and money.

The "C. B. & Q. R. R." running from Chicago, through Galesburg to Burlington, and the "I. B. & W. Route," running from Indianapolis, through Bloomington to Burlington, have achieved a splendid reputation in the last two years as the leading Passenger Routes to the West. At Burlington they connect with the B. & M. R. R. and form the great Burlington Route, which runs direct through Southern Iowa to Nebraska and Kansas, with close connections to California and the Territories; and passengers starting from Huntingdon county, on their way westward, cannot do better than to take the BURLINGTON ROUTE.

This Line has published a pamphlet called "How to go West," which contains much valuable information; a large correct map of the Great West, which can be obtained free of charge by addressing the General Passenger Agent, B. & M. R. R. Burlington, Iowa.

PERHAPS no real medicine ever gained the rapid popularity which Castoria has done. One person relates their experience of its good effects to another. It is a vegetable preparation, perfectly harmless, pleasant to take; does not distress or gripe, but regulates the system, and is sure to operate when all other remedies have failed. Any person who has ever used Castoria for Stomach Ache, Constipation, Croup, Flatulency, Worms, Piles, or deranged Liver, will never again use nauseating Oil, Bitter Pills or Narcotic Syrups. The Castoria contains neither Minerals, Morphine nor Alcohol. By its soothing, quieting effect it produces natural sleep, and is particularly adapted to crying and teething children. It costs but 35 cents, and one bottle will save many dollars in doctor's bills. sept.11-4t

PHILADELPHIA MARKETS.

September 21, 1872.

SEEDS.—New Cloverseed may be quoted at 10 @10¼c, but there is nothing doing in the article. Timothy is selling in job lots at $3.50 for old, and $3.75 for new crop. Flaxseed is wanted, and if here would command $1.95@2.

FLOUR AND MEAL.—In the Flour market we have to record a firmer feeling, under favorable Liverpool advices, and the home trade have been purchasing quite freely, but shippers are not disposed to operate to any extent. Prices are steadily maintained. The low grades are attracting more attention than for some time past; sales of superfine at $4.50@5.50; 300 bbls Pennsylvania and Ohio extra at $6.12½; 100 bbls Iowa extra family at $8; 200 bbls Minnesota do. do., choice, at $9.50; 100 bbls Pennsylvania do. do., at $8.25; 500 bbls Ohio do. do., at $8@8.50; 400 bbls Indiana do. do., at $8.67½@8.87½; 500 bbls St. Louis do. do., and fancy at $8.75@9.50; 600 bbls Camden Mills, 750 bbls Quaker City Mills, and 1,800 bbls Redstone and Premium on secret terms. Rye Flour is quiet; small sales at $4.50. Corn Meal is inactive; no sales.

GRAIN.—The Wheat market continues very firm, and we advance our quotations 2 cents on choice grades, with the remark that the demand is mostly for these descriptions. Sales of 1,200 bushels fair Indiana red at $1.69; 6,000 bu good and choice do. do., at $1.70@1.75; 400 bu common do. do., at $1.65; 400 bu inferior do. do., at $1.52; 1,200 bu Hill at $1.77@1.78; 400 bu Western amber at $1.80; and 800 bu Western white at $1.80@1.90. Rye comes in slowly and is now held at 80c for old 75@78 for new crop. Corn, influenced by continued light receipts, small stocks, and improvement of 3d in Liverpool and a further advance in freights from the West, is fully 2c ₱ bushel higher, and there is a good demand, with sales of 2,600 bus Pennsylvania and Southern yellow at 66c; 8,000 bu Western, low and high mixed, at 65@67@68c, closing at the latter figures, and 400 bu Western white at 66c. The receipts of oats are large and the demand moderate at yesterday's figures Sales of 4,800 bu new Western white at part 42@43@44c and part on private bu new Western black at 40c.

Horses Need A Sabbath.

At a meeting of the British Association at Dublin, Mr. Charles Bianconi, of Caspel, read a paper relative to his extensive car establishment, after which a gentleman stated that at Pickford's, the great English carriers, they could not work a horse more than ten hours a day, and wished to hear Mr. Bianconi's opinion on the subject. Mr. B. stated he found by experience, he could better work a horse for eight miles a day for six days in the week, than six miles a day for seven days. By not working on Sunday, he effected a saving of twelve per cent. Mr. Bianconi's opinion on this point is of the highest importance, for he has over nine hundred horses working sixty seven conveyances, which daily travel 4,244 miles. It is also the result of forty-three years experience.—*Scientific American.*

Election Proclamation.

[GOD SAVE THE COMMONWEALTH.]

PROCLAMATION.—NOTICE OF GENERAL ELECTION

I also make known and give notice, as in and by the 13th section of the aforesaid act, I am directed, that "every person, excepting justices of the peace, who shall hold any office or appointment of profit or trust under the government of the United States, or of this State, or of any city or or corporated district, whether a commissioned officer or agent, who is or shall be employed under the legislative, executive or judiciary department of this State or of the United States, or of any city or incorporated district, and also, that every member of Congress, and of the State Legislature, and of the select and common council of any city, commissioner of any incorporated district, is by law incapable of holding or exercising at the same time, the office or appointment of Judge, inspector, or clerk, of any election of this Commonwealth, and that no inspector or judge, or any officer of any such election shall be eligible to any office to be then voted for."

Also, that in the 4th section of the Act of Assembly, entitled "An Act relating to executions and for other purposes," approved April 16th, 1840, it is enacted that the aforesaid 13th section "shall not be so constructed as to prevent any militia or borough officer from serving as judge, or other inspector of any general or special election in this Commonwealth."

By the Act of Assembly of 1869, known as the Registry Law, it is provided as follows:

1. "Election officers are to open the polls between the hours of six and seven, a. m., on the day of election. Before six o'clock in the morning of second Tuesday of October they are to receive from the County Commissioners the Registered List of Voters and all necessary election blanks, and they are to permit no man to vote whose name is not on said last, unless he shall make proof of his right to vote, as follows:

2. The person whose name is not on the list, claiming the right to vote must produce a qualified voter of the district to swear in a written or printed affidavit to the residence of the claimant in the district for at least ten days next preceding said election, defining clearly where the residence of the person was.

3. The party claiming the right to vote shall also make an affidavit, stating to the best of his knowledge and belief where and when he was born, that he is a citizen of Pennsylvania and of the United States, that he has resided in the State one year, or, if formerly a citizen therein and removed therefrom, that he has resided therein six months next preceding said election, that he has not moved into the district for the purpose of voting therein, that he has paid a State or county tax within two years, which was assessed at least ten days before the election, and the affidavit shall state when and where the tax was assessed and paid, and the tax receipt must be produced unless the affiant shall state that it has been lost or destroyed, or that he received none.

4. If the applicant be a naturalized citizen, he must, in addition to the foregoing proofs, state in his affidavit when where, and by what court he was naturalized and produce his certificate of naturalization.

5. Every person, claiming to be a naturalized citizen, whether on the registry list, or producing affidavits as aforesaid, shall be required to produce his naturalization certificate at the election before voting, except where he has been for ten years consecutively a voter in the district where he offers to vote, and on the vote of such persons being received, the election officers are to write or stamp the word "voted" on his certificate with the month and year, and no other vote can be cast that day in virtue of said certificate except where sons are entitled to vote upon the naturalization of their father.

6. If the person claiming to vote who is not registered, shall make an affidavit that he is a native born citizen of the United States, or if born elsewhere, shall produce evidence of his naturalization, or that he is entitled to citizenship by reason of his father's naturalization, and further, that he is between 21 and 22 years of age, and has resided in the State one year, and in the election district 10 days next preceding the election, he shall be entitled to vote though he shall not have paid taxes."

In accordance with the provision of the 8th section of an Act entitled "A further supplement to the Election Laws of this Commonwealth," I publish the following:

WHEREAS, By the Act of the Congress of the United States, entitled "An Act to amend the several acts heretofore passed to provide for the enrolling and calling out the national forces, and for other purposes," and approved March 3d, 1865, all persons who have deserted the military or naval services of the United States, and who have not been discharged or relieved from the penalty or disability therein provided, are deemed and taken to have voluntarily relinquished and forfeited their rights of citizenship and their rights to become citizens, and are deprived of exercising any rights of citizens thereof;

And whereas, Persons not citizens of the United States are not, under the Constitution and laws of Pennsylvania, qualified electors of this Commonwealth.

SEC. 1. *Be it enacted, &c.*, That in all elections hereafter to be held in this Commonwealth, it shall be unlawful for the judge or inspectors of any such elections to receive any ballot or ballots from any person or persons embraced in the provisions and subject to the disability imposed by said act of Congress, approved March 3d, 1865, and it shall be unlawful for any such person to offer to vote any ballot or ballots.

SEC. 2. That if any such judge or inspectors of election, or any one of them shall receive or consent to receive any such unlawful ballot or ballots from any such disqualified person, he or they so offending shall be guilty of a misdemeanor, and on conviction thereof in any court of quarter session of this Commonwealth; he shall for each offence, be sentenced to pay a fine not less than one hundred dollars, and to undergo an imprisonment in the jail of the proper county for not less than sixty days.

SEC. 3. That if any person, deprived of citizenship, and disqualified as aforesaid, shall, at any election hereafter be held in this Commonwealth, vote, or tender to the officers thereof, and offer to vote a ballot or ballots, any person so offending shall be deemed guilty of a misdemeanor and on conviction thereof in any court of quarter session of this Commonwealth, shall for each offence be punished in like manner as is provided in the preceding section of this act in case of officers of election receiving any such unlawful ballot or ballots.

SEC. 4. That if any person shall hereafter persuade or advise any person or persons, deprived of citizenship or disqualified as aforesaid, to offer any ballot or ballots to the officers of any election hereafter, to be held in this Commonwealth, or shall persuade or advise, any such officer to receive any ballot or ballots, from any person deprived of citizenship, and disqualified as aforesaid, such person so offending shall be guilty of a misdemeanor, and upon conviction thereof in any court of quarter sessions of this Commonwealth, shall be punished in like manner as provided in the second section of this act in the case of officers of such election receiving such unlawful ballot or ballots.

Particular attention is directed to the first section of the Act of Assembly, passed the 30th day of March, a. d. 1866, entitled "An Act regulating the manner of Voting at all Elections, in the several counties of this Commonwealth.

"That the qualified voters of the several counties of this Commonwealth, at all general, township, borough and special elections, are hereby, hereafter authorized and required to vote, by ticket, printed or written, or partly printed and partly written, severally classified as follows: One ti ket shall embrace the names of all judges of courts voted for, and be labelled outside "judiciary;" one ticket shall embrace all the names of State officers voted for and be labelled "State;" one ticket shall embrace the names of all county officers voted for, including office of Senate member and members of Assembly, if voted for, and labelled "county."

Pursuant to the provisions contained in the 67th section of the act aforesaid, the judges of the aforesaid district shall respectively take charge of the certificates or return of the election of their re pective districts, and produce them at a meeting of one of the judges from each district at the Court House, in the borough of Huntingdon, on the third day after the day of electi n, being for the present year on FRIDAY, the 11th of OCTOBER, then and there to do and perform the duties required by law of said judges. Also, that where a judge by sickness or unavoidable accident, is unable to attend such meeting of judges, then the certificate or return aforesaid shall be taken in charge by one of the inspectors or clerks of the e ection of said district, and shall do and perform the duties required of said judge unable to attend.

CONSTITUTIONAL CONVENTION.

At the same time and places, also, an election will be held for delegates to the convention to amend the Constitution of the S ate, in conformity with the Act, entitled "An Act to provide for calling a convention to amend the Constitution," approved April 11, 1872. As prescribed by said act, the following rules and regulations shall apply to said election, and the returns of the same:

First. At the general election to be held the second Tuesday of October next, there shall be elected by the qualified electors of this Commonwealth, delegates to a convention to revise and amend the Constitution of this State; the said convention shall consist of one hundred and thirty-three members, to be elected in the manner following: Twenty-eight members thereof shall be elected in the State at large, as follows: Each voter of the State shall vote for not more than fourteen candidates, and the twenty-eight different Senatorial districts of the State, three delegates to be elected for each Senator therefrom; and in choosing all district delegates, each voter shall be entitled to a vote for not more than two of the members to be chosen from his district, and the three candidates highest in vote shall be declared elected, except in the county of Allegheny, forming the Twenty-third Senatorial District, where no voter shall vote for more than six candidates, and the nine highest in vote shall be elected, and in the counties of Luzerne, Monroe and Pike, forming the Thirteenth Senatorial District, where no voter shall vote for more than four candidates, and the six highest in vote shall be elected, and six additional delegates shall be chosen from the city of Philadelphia, by a vote at large in said city, and in their election no voter shall vote for more than three candidates, and the six highest in vote shall be declared elected.

Second. The Judges and Inspectors for each election district shall provide two suitable boxes for each poll, one in which to deposite the tickets voted for Delegates at large, and the other in which to deposite the tickets voted for District Delegates; which boxes shall be labelled respectively, "Delegates at large" and "District Delegates;" and in each district in the city of Philadelphia an additional box shall be provided for each poll in which to deposit the tickets voted for "City Delegates;" and said last mentioned boxes must each be labelled "City Delegates."

Third. The said election shall be held and conducted by the proper election officers of the general election districts of the Commonwealth, and shall be conducted and regulated in all respects by the general election laws of the Commonwealth, so far as the same shall be applicable thereto, and not inconsistent with the provisions of said act.

Fourth. The tickets to be voted for members at large of the convention shall have on the outside the words "Delegates-at-Large," and on the inside the names of the candidates to be voted for, not exceeding fourteen in number.

Fifth. The tickets to be voted for district members of the convention shall have on the outside the words "District Delegates," and on the inside the name or names of the candidates voted for, not exceeding the proper number limited as aforesaid; but any ticket which shall contain a greater number of names than the number for which the voter shall be entitled to vote, shall be rejected; and in case of the delegates to be chosen at large in Philadelphia, the words, "City Delegates," shall be on the outside of the ticket.

Sixth. In the city of Philadelphia the return judges shall meet in the State House, at ten o'clock on the Thursday next following the election, and make out the returns for said city, of the votes cast therein for delegates at large and for said city and district delegates, to be members of the convention; the return judges of the of the several election districts within each county of the State, excluding Philadelphia, shall meet on Friday next following the election, at the usual place for the meeting of the return judges of their county, and make out full and accurate returns for the county, of the votes cast therein for members of the convention and for district members of the same; and the proceedings of the return judges of the said city of Philadelphia, and of the several counties of the Commonwealth, in the making of their returns, shall be the same as those prescribed for return judges in the case of an election for Governor, except that returns transmitted to the Secretary of the Commonwealth, shall be addressed to that officer alone and not to the Speaker of the Senate.

F. JORDAN,
Secretary of the Commonwealth.

EXECUTIVE CHAMBER,
HARRISBURG, PA., August 27, 1870.

To the County Commissioners and Sheriff of the County of Huntingdon:

WHEREAS, the fifteenth Amendment of the Constitution of the United States is as follows:

"SEC. 1. The right of citizens of the United States to vote shall not be denied or abridged by the United States, or by any State, on account of race, color, or previous condition of servitude."

SEC. 2. The Congress shall have power to enforce this article by appropriate legislation."

And whereas, the Congress of the United States, on the 31st day of March, 1870, passed an act, entitled "*An Act to enforce the rights of citizens of the United States to vote in* the several States of this Union, and for other purposes," the first and second sections of which are as follows:

"SEC. 1. *Be it enacted by the Senate and House and Representatives of the United States of America in Congress assembled*, That all citizens of the United States, who are, or shall be otherwise qualified by law to vote at any election by the people, in any State, Territory, district, county, city, parish, township, school district, municipality or other territorial sub-division, shall be entitled and allowed to vote at all such elections, without distinction to race, color, or previous condition of servitude; any Constitution law, custom, usage or regulation of any Territory, or by or under its authority, to the contrary notwithstanding."

"SEC. 2. *And it further enacted*, That if, by, or under the authority of the Constitution or laws of any State, or the laws of any Territory, any act is or shall be required to be done as a prerequisite or qualification for voting, and by such Constitution or law, persons or officers are or shall be charged with the performance of duties in furnishing to citizens an opportunity to perform such prerequisite, or to become qualified to vote, it shall be the duty of every such person and officer to give to all citizens of the United States the same and equal opportunity to perform such prerequisite, and become qualified to vote without distinction of race, color or previous condition of servitude; and if any such person or officer shall refuse or knowingly omit to give full effect to this section, he shall, for every such offence, forfeit and pay the sum of five hundred dollars to the person aggrieved thereby, to be recovered by an action on the case, with full costs and such allowance for counsel fees as the court shall deem just, and shall also, for every such offence, be deemed guilty of a misdemeanor, and shall on conviction thereof, be fined not less than five hundred dollars, or be imprisoned not less than one month and not more than one year, or both, at the discretion of the court.

And whereas, It is declared by the second section of the VIth article of the Constitution of the United States, that "This Constitution, and the laws of the United States which shall be made in pursuance thereof, shall be the supreme law of the land * * * * anything *in the Constitution or laws of any State to the contrary notwithstanding.*"

And whereas, The Legislature of this Commonwealth, on the 6th day of April, a. d. 1870, passed an act entitled, "A further supplement to the Act relating to elections in this Commonwealth," the tenth section of which provides as follows:

"SEC. 10. That so much of every act of Assembly as provides that only white freemen shall be entitled to vote or be registered as voters, or as claiming to vote at any general or special election of this Commonwealth, be and the same is hereby repealed; and that hereafter all freemen, without distinction of color, shall be enrolled and registered according to the provision of the first section of the act approved 17th April, 1869, entitled "An Act further supplemental to the act relating to the elections of this Commonwealth," and when otherwise qualified under existing laws, be entitled to vote at all general and special election in this Commonwealth."

And whereas, It is my constitutional and official duty to "take care that the laws be faithfully executed;" and it has come to my knowledge that sundry assessors and registers of voters have refused, and are refusing to assess and register divers colored male citizens of lawful age, and otherwise qualified as electors.

NOW THEREFORE, In consideration of the premises, the county commissioners of said county are hereby notified and directed to instruct the several assessors and registers of voters therein, to obey and conform to the requirements of said constitutional amendment and laws; and the sheriff of said county is hereby authorized and required to publish in his election proclamation for the next ensuing elections, the herein recited constitutional amendment, act of Congress, and act of the Legislature, to the end that the same may be known, executed and obeyed by all assessors registers of voters, election officers and others; and that the rights and privileges guaranteed thereby may be secured to all the citizens of this Commonwealth entitled to the same.

Given under my hand and the great seal of the State at Harrisburg, the day and year first above written.

[SEAL.] JOHN W. GEARY.

Attest:
